Please refer to the FAQ page for answers to frequently asked questions.

### **Memorial Tree Biographies**

As well as the leaves on the monument itself, we also have Memorial Tree books. We need you to provide photographs and any biographical information, or eulogies that identify your loved one with this application form. These additions to the books help us to document the lives of our beloved Bamfield “extended family” whose names have been added to the Memorial Tree. Any original photographs will be scanned and returned upon request. Leaves will not be added to the Memorial Tree until we have some biographical information.
